Please confirm all technical and hospitality details with the artist in advance of the performance.

Performance Space

- Minimum 600 mm of counter-top / desk space for a laptop and personal items inside the DJ box.
- Minimum 1200 mm x 600 mm of floor space to perform comfortably to the highest standard.
- Access to this space is required approximately 20 minutes before showtime.

Technical Requirements

- DJ riser / booth in good view of the crowd, with a minimum of 2 available power sockets (extension leads must be surge-protected).
- All Pioneer equipment must be NEXUS versions and correctly linked together with the appropriate cables.
- 3 x Pioneer CDJ-3000 NEXUS decks (4 if possible).
- 1 x Pioneer DJM-900 NEXUS mixer or more advanced.
- Full-range DJ monitoring (floor sub if possible); booth volume controllable from the DJ mixer.
- Air-conditioning or fans positioned either side of the DJ riser.
- CO2 available at 4 suggested trigger points during the performance (approx. 16 seconds in total).
- LED / visual / projector screens to display the artist logo and visual movie (files provided; house VJ and lighting designer have creative freedom).
- High-standard professional in-house PA / sound system.
- No audio or video recording on or off stage without prior approval from the artist.
- DJ booth / stage access limited to artist crew and in-house production, sound and lighting staff.

Hospitality

- If possible, a clean, lockable dressing room for the artist and touring party, with Wi-Fi (password posted).
- Where possible, a clean private toilet close by, and the dressing-room key or code given to the artist on arrival. Up to four crew members may accompany the artist.
- Dressing-room rider: 4 x bottled beer (Corona or Budweiser, chilled), 4 x 500 ml bottled water, an assortment of snacks and sweets, tea & coffee on request. Rider placed in the dressing room before the artist arrives.

Hotel · Transport · Security · Guest List

- Hotel: three-star or equivalent, including hot breakfast, en-suite bath/shower and toilet, free Wi-Fi, located close to the venue.
- Ground transport: a car pick-up and transfers between airport, hotel and venue are ideal. If that is not possible, please share the best options for getting from the airport to the accommodation and on to the venue or festival.
- Security: required for the duration of the performance only.
- Guest list: the artist reserves the right to admit up to 8 guests free of charge; names provided to the venue representative before the performance.
